David Kenworthy — Voice of the Realms

We are delighted to welcome **David Kenworthy**, Executive Theatre Director of the Geek Parties of the Grand Valley, to our company of revelry and wonder. A true steward of the stage, David brings with him the magic of the annual Summer Shakespeare Series and a long history of service within Renaissance and Fantasy Faires across the region. His devotion to the arts and to the community shines brightly in every endeavor he touches.

A seasoned Master of Ceremonies, David now joins the Mesa County Fantasy Faire as one of our **Voices of the Realms**—guiding guests through revels, tales, and triumphs with wit, warmth, and theatrical charm.

Raise your voices in a hearty huzzah as we welcome David to the fold, where his presence will help shape the magic of the Realm.
