Voice of the Realms (MC) – Timothy Jennings

Make way for Timothy Jennings, our newest **Voice of the Realms**, whose presence brings warmth, wit, and merriment to every corner of the Fantasy Faire.

Timothy's love for storytelling began in childhood, when he wandered the halls with a small tape recorder, capturing voices and weaving moments into memories. That early spark grew into a lifelong passion for performance, music, and the joyful art of connecting with others.

With six years as a radio host, Timothy has mastered the rhythm of timing, the power of voice, and the magic of audience engagement. A seasoned musician and entertainer, he fills each gathering with energy and delight, ensuring that every announcement becomes part of the Faire's living tapestry. His talents have been celebrated in Grand Junction, where he earned the Local's Choice Award for his work as a DJ and community favorite.

Known throughout the realm for his enthusiasm, kindness, and magnetic stage presence, Timothy transforms even the simplest message into a moment worth remembering. His boundless spirit and genuine love for community help the Faire ring with laughter, rhythm, and camaraderie.

Whether guiding quests, welcoming performers, or rallying cheers between acts, Timothy Jennings brings the perfect blend of professionalism and playful charm to his honored role as Master of Ceremonies.
