Kellie Varner — Voice of the Realm

From the forges of imagination to the bright lights of celebration, Kellie Varner brings a rare blend of artistry, energy, and enchantment to the Mesa County Fantasy Faire. As the visionary Owner of **Varner SFX** and the creative force behind **Varner Entertainment**, she is a master artisan of transformation—shaping creatures, characters, and entire worlds through her work as a Freelance Makeup and SFX Makeup Artist.

Yet when the sun sets and the revels begin, Kellie steps into another form of magic. With a voice that stirs the crowd and a presence that ignites any gathering, she becomes the melody-maker and rhythm-keeper—an ever-radiant DJ and Karaoke Hostess who turns festivities into legends.

This season, she joins the Realm as one of our **Voices of the Realm**, guiding guests through quests, contests, and celebrations with charm, wit, and boundless spirit.
